

## ACHIEVEMENT

### 369 LTI FREE DAYS

## REKO DIQ – PAKISTAN

I would like to convey my congratulations to the Pakistan team at Reko Diq in achieving the milestone of 369 LTI Free Days.

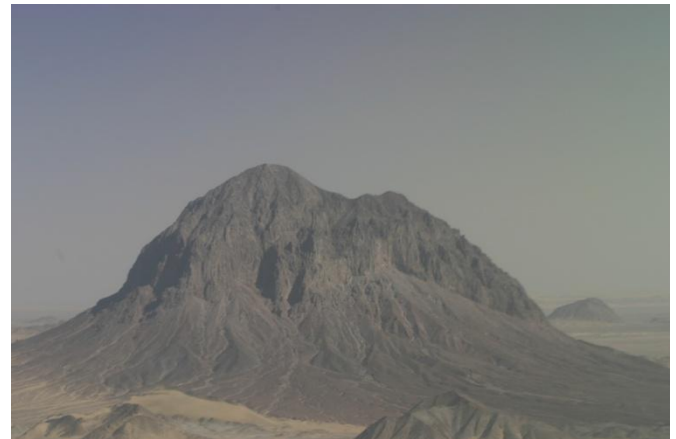

It is this commitment and approach towards safety which Capital Drilling prides itself and the commitment to which we not only provide to our employees but also to our clients.

In addition to the excellent achievement of 369 LTI Free Days I would also like to commend the well organized, professional Layout & Presentation of the current Workshop & Office Area situated at Reko Diq.

Keep up the excellent work and maintain the focus of the team in achieving the next milestone of 735 LTI Free days. Well done to all.
