

Golden Safety Rules

1. SAFETY FIRST - ALWAYS

Safety starts with YOU. Never walk past unsafe acts and conditions. Look out for your work mates.

2. USE TAKE 5'S BEFORE EVERY TASK

Use Take-5's to reduce the risks for you and your work mates.

3. DO NOT ENTER RESTRICTED WORK ZONES

Do not enter restricted work zones unless you are authorised to do so.

4. BE AWARE AND STAY CLEAR OF ALL CRUSH POINTS

Take time to review crush points and keep your hands and other body parts clear

5. BELT UP AND DON'T DRIVE DISTRACTED

Always wear your seatbelt when travelling in vehicles and avoid any distractions when driving. Follow all road rules.

6. ALWAYS ISOLATE & LOCK OUT/TAG OUT (LOTO)

Always isolate, lock-out or tag-out equipment and check for any remaining energy before beginning maintenance or repairs.

7. REMAIN FIT-FOR-WORK AT ALL TIMES

You must arrive fit-for-work and remain so at all times while at work. Avoid impairment from fatigue, alcohol and/or drugs.

8. DO NOT COMPLETE RESTRICTED WORK ACTIVITIES WITHOUT A PERMIT

Do not undertake any restricted work activity unless you are trained and have a valid company permit.

9. NEVER MODIFY A SAFETY DEVICE

Never remove, by-pass or modify a safety device without authorisation.

10. ENSURE YOU ARE TRAINED & COMPETENT

Do not attempt any task, unless you are trained, competent and authorised.

Confident | Skilled | Competent
